Description	Amy-Jill Levine explores selected miracles of Jesus in historical and theological context. For each miracle, she discusses not only how past witnesses would have understood the events, but also how today's readers can draw meaning from Jesus' words and actions.	The story of Joseph in Genesis teaches us to look for the big picture in our lives. It shows us how God weaves what seems random into a beautiful image of joy, survival, purpose, and meaning. See God's dream for your life as you begin connecting the dots of God's grace, presence, and protection.	Discover Jesus' character through the "I Am" statements in John. Light. Bread. Shepherd. Life. The Gospel of John uses these and other symbols to paint a picture of who Jesus is. See how these words point to the deep mystery of Jesus Christ.	In the Gospels, Jesus modeled the Christian spiritual life for us. Focus on five essential spiritual practices that are rooted in Jesus' own walk with God, are intended as part of our own daily walk, and are an essential part of growing together in the church.

Author(s)	Adam Hamilton	Susan Robb	Amy-Jill Levine	Matt Rawle
# of Videos/Sessions	4	4	6	4
Description	For two thousand years, Christians have turned to the story and message of John the Baptist in the weeks leading up to Christmas. In each Gospel, the story of Jesus is intertwined with that of his cousin John the Baptist, the one whom the prophets foretold would come to "prepare the way of the Lord."	Explore the four angelic visits surrounding the birth of Jesus with Zechariah, Mary, Joseph, and the shepherds. In this study, the readers dive deep into the history of the angel Gabriel—and other angels—in the Old Testament. Angels of Christmas uses these four angelic appearances to discuss God's presence in history and our lives today.	This rich and challenging four-week Advent study shows how the Gospel narratives connect to the Old Testament; highlights the role of women in first-century Jewish culture; and emphasizes the importance of Mary's visitation, the census, the stable, the star of Bethlehem, and the flight to Egypt.	Explore the faith themes in the Christmas classic, <i>How the Grinch Stole Christmas!</i> How did the Grinch's heart grow three sizes Christmas morning? Could it be that the very thing we think we hate is the one thing that changes our lives? Author(s)	Laceye Warner, Amy Valdez Barker, Jung Choi, Sangwoo Kim	Matt Rawle	Magrey R. deVega, Ingrid McIntyre, April Casperson, & Matt Rawle	Adam Hamilton
# of Videos/Sessions	4	4	4	4
Description	Join Wesleyan scholars Jung Choi, Sangwoo Kim, Amy Valdez Barker, and Laceye Warner on an Advent journey guided by the practices in John Wesley's means of grace. Each chapter guides participants covers an aspect of Wesleyan means of grace.	The Christmas classic, "The Nutcracker," was first performed in 1892 and its music, dance, and story hold a special place in our cultural Christmas celebrations. Matt Rawle explores the story to help us understand God's greatest gift of the Christ child, and the kingdom Christ came to establish.	In 1741, John Wesley preached his famous sermon "The Almost Christian" in which he encouraged people to follow Christ wholeheartedly rather than being an "almost Christian." This book breaks down the barriers that prevent us from experiencing an "altogether" love, hope, joy, and peace in Christ in our lives and in the world.	His parents named him Jesus, but the prophets, the shepherds, the wise men, and the angels addressed him by other names: Lord, Messiah, Savior, Emmanuel, Light of the World, and Word Made Flesh. In <i>Incarnation</i> , Adam Hamilton examines the names of Christ used by the gospel writers, exploring the historical and personal significance of his birth.
