Title	Questions Jesus Asked: A Six-Week Study in the Gospels	Bible Stories for Grown-Ups: Reading Scripture with New Eyes	Jesus Revealed: The I Am Statements in the Gospel of John
Author(s)	Magrey R. DeVega	Josh Scott	Matt Rawle
# of Videos/Sessions	6	6	6 sessions plus 6 art videos
Description	Jesus was fond of asking questions, many of which cut right to the heart of what it means to be human. In this study, author Magrey deVega explores six of the most provocative questions Jesus posed to others and guides us in answering them for ourselves. Asking these questions takes courage. Not only do they reveal what Jesus really cares about, they open a window into our hearts and leads us to growth by bringing us a fuller appreciation for the wisdom, power, and presence of God in our lives.	This six-week Bible study will consider stories many read as children including Noah's Ark, the binding of Isaac, Jonah and the big fish, Jesus and Zacchaeus, Jesus healing a blind man, and the parable of the talents. Scott reimagines these stories and opens new visions for readers to understand well known pieces of Scripture in our current cultural environment. Scott reimagines these stories and opens new visions for readers to understand well known pieces of Scripture in our current cultural environment.	Light. Bread. Shepherd. Life. The Gospel of John uses these and other symbols to paint a picture of who Jesus is. Through the I Am statements Jesus describes himself with rich images, showing us that he is both fully human and fully divine and calling us as his followers. Author Matt Rawle explores the "I Am" statements in John as works of art that resonate throughout the Gospel and all of Scripture. He shows how these words point beyond themselves to the deep mystery of Jesus Christ.

Author(s)	Will Willimon	Matt Rawle	Rachel Billups	Adam Hamilton
# of Videos/Sessions	4	4	4	4
Description	In the Advent season, heaven seems so close as we remember that a tiny baby in a manger is God in human form coming to show us the Way. God's choice of incarnation allows us to reflect on the mystery that Christ is the full revelation of God instead of being one who talks about God or one who speaks for or acts as God. But, no, Christ is God. Will Willimon explores the idea of Jesus as both fully human and fully divine this Christmas.	Find the divine signs of Christmas. Things just look, smell, and taste differently during the Advent and Christmas season, and these differences are a sign to us that God is about to do something radical and different. Christmas is when God surrounded the divine with senses of his own. What signs do you see during the Advent and Christmas season that point you to the divine?	Experience the unexpected this Christmas. During this Advent season, Rachel Billups guides readers through the themes of hope, love, joy, and peace by sharing the stories of Elizabeth and Zechariah, Herod, the Magi, and the shepherds. Each set of unexpected characters has something to teach about living faithfully on the journey to Christmas.	For centuries, Christians have turned to the story and message of John the Baptist in the weeks leading up to Christmas. In <i>Prepare the Way for the Lord: Advent and the Message of John the Baptist</i> , best-selling author and pastor Adam Hamilton explores the Advent themes of John's life and ministry, and how John calls all followers of Jesus to prepare our hearts for his coming.
